### Carlisle Canoes has new owners

New owners have taken the helm of a canoe livery, which has sent paddlers down the AuSable and Manistee Rivers for five and a half decades.

Terry Clark and his fiancée Karlie Spence acquired Carlisle Canoes on April 5.

Clark had been eyeing liversies in the area. Although there was not a for sale sign on the Carlisle Canoes property, Clark found the property listed on LoopNet.com and determined that it was a perfect fit.

"I just kind of jumped on it," Clark said. "It's better than working in a factory for the rest of my life." **Page 10**

### Baseball squad stays unbeaten in league

After two wins vs. the visiting Elk Rapids Elks on Tuesday, the Grayling Vikings have an 8-0 record in Lake Michigan Conference baseball games this year.

Grayling won 8-2, 14-8 vs. Elk Rapids.

Jensen Aubry, the winning pitcher for GHS in game one, allowed six hits and no earned runs while striking out eight batters.

"We played pretty good defense for the most part in the first game and I was happy to see our bats start to come around again from last weekend," Coach John Schneider said. **Page 12**

### Softball team splits vs. Elks

The Grayling Vikings won one and lost one during a league varsity softball series vs. the visiting Elk Rapids Elks last Tuesday.

"The first game of the doubleheader was probably the most complete game I have seen our team play. Our pitcher, Andrea Malm, went after each batter with the confidence that the defense would back her up and they did. We played error-free softball and gave up just one hit," Coach Kerri Brock said. **Page 12**

## Council begins process to oust manager

City to conduct hearing regarding suspended official

by Dan Sanderson  
Staff Writer

A divided Grayling City Council on Monday initiated the process to terminate suspended Grayling City Manager David A. Thayer.

The city council, by a 3-to-2 vote, voted to send written notification to Thayer that a hearing will be held to discuss his involuntary departure from his position. The Grayling City Charter requires a seven-day notice be provided to Thayer before the hearing is held.

Grayling Mayor Karl Schreiner called for the motion to send the written notification.

"It takes council action if we want to initiate the process or we can sit as we are," said Schreiner, who added that no more discussion would be held on the issue.

Council Member Karl DeVries made the motion to send the written notification, which was seconded by Council Member Dennis Robinson. Robinson was appointed to fill a vacancy on the council on April 26.

Schreiner, DeVries and Robinson cast the yes votes, while Mayor Pro Tem Larry Akers and Council Member Kim McClain cast no votes.

Ironically, Thayer sent a packet of information including his contract and how the city manager is removed from office when Schreiner, DeVries and Dee Maybury won

## County considers bringing clerk back

by Dan Sanderson  
Staff Writer

The Crawford County Board is studying bringing back a clerk to its building and zoning department to provide better service to the public and keep its inspector out in the field.

Crawford County Administrator Paul Compo said the business in the county's building department was down 12 percent at the end of April, compared to being down 25 percent for the previous year.

He attributed the increase in business to the building of homes at Forest Dunes Golf Club in South Branch Township and the Brook Retirement Facility planned in the City of Grayling.

Building and Zoning Director Joe Duran is handling all paperwork and calls to the office, which has been causing a delay in issuing permits and inspections.

Compo said Duran picks up work in outlying area of the county when is doing inspections. Last year, the board voted to lay off building and zoning clerk Tena Dixon because of a decline in building permits and the increased cost of running the office.

Compo said that he prefers exploring bringing back a clerk to the department rather turning building permits and inspection over to the state.

"Even poor service at our level is going to be better than the service they're going to get from the state," Compo said.

Compo noted that Duran will sometimes help residents with building issues or to address issues with contractor's workmanship.

Dave Stephenson, chairman of the Crawford County Board of Commissioners, said Duran needs to manage his time better before taking on outside building issues which can pull him into state hearings.

"I would think his first priority would be taking care of those issues here at the county before he goes out to be the Good Samaritan," Stephenson said. "I appreciate what he's trying to do, but he needs to prioritize what he's going to do."

Grayling Elementary School fifth grader Molly Leslie was selected as the Safety Patroller of the Year for the State of Michigan by the AAA Club of Michigan.

## 5th grader honored as state's top Safety Patroller

by Dan Sanderson  
Staff Writer

A self-proclaimed "Safety Geek" was recently recognized as the Safety Patroller of the Year for the State of Michigan at a ceremony held in Washington D.C.

Grayling Elementary School fifth grader Molly Leslie was selected as the Safety Patroller of

the Year for the State of Michigan by AAA Club of Michigan. She is the daughter of Karen and Tod Leslie.

The AAA Club Safety Patrol -- the motor club's signature pedestrian safety program -- is a proud tradition since 1920. Today it includes more than 500,000 patrollers in 50,000 schools across the United States

and Canada. The program has a long history of helping young people become leaders by teaching discipline, responsibility and concern for others.

Rhonda Metzger, the Safety Patrol supervisor and a special education teacher at the Grayling Elementary School, nominated Leslie for the award. Metzger

# Council begins process to oust manager

**Continued from Page 1**  
election to the council in November. He had learned that a group of local citizens and current and former police officers were running a campaign to oust him.

"It's not a surprise," Thayer said.

Thayer attended Monday's meeting, but did not address the council and left shortly after the vote was taken to send him written notification for the termination hearing. The city

charter says the council must hold a public hearing, explain its reasons for the termination and then take a vote.

Thayer said the average tenure of a city manager is three to seven years in a position.

"It's not unheard of when there is a change of council for the city manager to be let go," he said.

Thayer said he feels bad for citizens, if projects are not followed through to fruition, to build the local

economy and sustain property values as Michigan continues to face budget woes.

"You cannot sit back and be passive and say it will all work itself out," he said. "I enjoy Grayling and I felt the city had a lot of opportunities. It just needed some leadership and some push."

In February, Thayer was arrested by Crawford County Sheriff's Deputies for allegedly violating the state's Social Security Privacy Act 24 times. He is

accused of giving Michigan Department of Treasury tax forms, which contained the Social Security numbers of other people, to Maybury. Maybury resigned from the council on March 16. She is now living in Riverview, Fla. Robinson was appointed to fill her seat.

Thayer also faces a charge for public officers-making false statements relating to finances. He was arrested on that charge on March 25.

## 5th grader honored as state's top Safety Patroller

**Continued from Page 1**  
noted Leslie's leadership skills, sense of responsibility and duty, punctuality and being a well-rounded student.

"She truly is an outstanding young lady who demonstrates selflessness, compassion and is always there

to lend a hand to someone in need," Metzger said.

Besides going through Safety Patrol training prior to the beginning of the school year, Leslie participated in a one week Mobile Medical Response camp during the summer, where she learned first aid, fire safety and road safety. She also attended a weeklong National Guard Youth Leadership Camp last year. She has also taken part in the Junior Deputy and D.A.R.E. programs taught by Crawford County Sheriff's Office.

As a Safety Patrol captain, Leslie circulates to all patrol posts to make sure everything is all right and everyone is on time. She fills in for students if they are not available. She also encourages students to walk when there is snow and ice to prevent falls.

"Molly is an exemplary model of what a safety patroller is and does," Metzger said.

Leslie blows a whistle to alert the students that they come into the school in the morning, and when busses leave for the afternoon shift. She also makes sure that all Safety Patrol belts are dis-

persed and accounted for.

Finally, Leslie reports incidents when they occur, such as students who do not adhere to school rules and cars and people who do not appear to belong on school property.

"She is the eyes and ears of our safety patrol," Metzger said.

There are currently 38 students assigned to the Grayling Elementary School's Safety Patrol. Two squads rotate every other month, but Leslie has worked every month in the rain, snow and sunshine.

Metzger said it is unusual for students to volunteer full-time on the Safety Patrol.

"It turns out it's not all what it's cracked up to be for some students and she has stuck with it every day," Metzger said.

Leslie said her feelings were hurt when friends first called her "Safety Geek," but she has accepted the moniker as the school year rolls along.

"If everyone does their job, the team works well," Leslie said. "If one person doesn't watch their post, someone can get hurt. I have gained confidence and

become more responsible because of this opportunity."

Leslie acknowledged that getting out of class early is a perk of being on the Safety Patrol, but enjoys working with School Crossing Guard Gail Foguth and other squad members to get students to and from school safely.

"When you get outside, you get to make sure that everybody's safe," she said.

Leslie traveled to Washington D.C. in April to receive her plaque for being Safety Patroller of the Year for the State of Michigan. She enjoyed touring the Nation's Capital, viewing monuments and touring museums. Her favorite part of the trip was touring FBI Headquarters, where she saw a fire truck that can be used as a laboratory at a crime scene or terrorist event.

Always looking out for others, Leslie had her grandmother, Shirley Wallace, of St. Louis, join her and her mother on the trip. Wallace recently had a house fire.

"I thought it would nice for her to get away from all of that," she said.

## County considers bringing clerk back

Commissioner Mike Lange said the county's audit committee would study the cost of bringing back the clerk. Last year, the county spent \$65,000 subsidizing the

building and zoning department.

"We held on a little too long last year and let's not forget to how much money we burnt through," Lange said

This is the sixth year that the Lake Michigan conference, the same conference used to organize athletics in the region, has sponsored an award program to honor top students from the schools comprising the conference. Each school was allowed to nominate the students with the 12 highest scores according to a formula that computed GPA and scores on standardized tests such as ACT or SAT. The students attended a program given in their honor at Traverse City St. Francis High School. ## Wendy's helps put the chill on hunger

by Dan Sanderson  
 Staff Writer

A Grayling restaurant is offering a free, sweet and cool treat to its customers from spring until New Year's Eve to help assist the Crawford County Community Christian Help Center in its mission.

The Grayling Wendy's is making Frosty Key Tags available for \$1 to customers. All proceeds will go to help fund the Crawford County Community Christian Help Center.

Customers can show their Frosty Key Tags every time they make an

order at Wendy's, and they will receive one free Jr. Frosty per transaction, per visit.

The promotion to assist the Crawford County Community Christian Help Center began on May 1 and the offer for the free Jr. Frosty runs through Dec. 31, 2010.

Bob Wright, the owner of the Grayling Wendy's, said each market in the state is supporting a different cause such as the Dave Thomas Foundation to support adoption and Boy Scouts and Girl Scouts.

Wright, who is involved with the Otsego County

Food Pantry in Gaylord, said he wanted to keep money raised through the key tags in northern Michigan.

"I see the need for the money to go to the food pantries," Wright said.

The offer is not valid with any other offers, but is valid at participating Wendy's in Michigan.

The Frosty Key Tags are available from Crawford County Community Help Center volunteers and at Wendy's until the supply of key tags is depleted.

"Once they use it once, it pretty much pays for itself," Wright said.

## Police hope to get bikes back to owners

by Dan Sanderson  
 Staff Writer

Grayling City Police Chief Doug Baum said the city has recovered about two dozen bikes over the last year that they would like to get back in the hands of their rightful owners.

The bikes, which have

been stolen, discarded or lost, are being stored in the Grayling City Police Department's garage.

Baum encouraged people who may have a bike missing to contact the police department.

"If someone had a bike stolen or missing, we would

like to get it back to them," Baum said.

If the bikes are not claimed, Baum said they will be donated to the Riverhouse Shelter and the Department of Human Services to assist their clients with their transportation needs.

## MDOT announces local road construction

The Michigan Department of Transportation (MDOT) will improve two miles of M-93 in Crawford County from Margarette Blvd./Camp Grayling entrance to M-72 beginning Monday, May 10. Work is expected to be completed by the Memorial Day holiday weekend. Traffic will be maintained using flag control. Motorists are asked to use caution when travel-

ing through the work zone.

MDOT will resurface a six-mile stretch of I-75 from Nine Mile Hill Road to the M-18/I-75 Business Loop (Exit 329) in Rosecommon County beginning May 10. The estimated completion date is Friday, June 25. One lane in each direction will be open at all times. All lanes will be open for the Memorial Day holiday weekend. For up-to-date

information on this project, go to the list of statewide lane closures at: [www.michigan.gov/drive](http://www.michigan.gov/drive).

## Almanack

by Richard Milliman

## It will be strange election year all over

MICHIGAN VOTERS will be deprived of an unusual option this year. We won't get a chance to vote either for or against one of our most famous – or infamous – fellow Michiganders.

Geoffrey Fieger has ended his brief flirtation with the Democratic primary race for governor by withdrawing before he really was in.

Mr. Fieger's professed interest in running for governor again – he was the Democratic nominee in 1998 and lost to Republican incumbent Gov. John Engler – seemed to surface about the same time that the entertainment publicity machinery kicked into high gear boosting the HBO movie about Dr. Jack Kevorkian's assisted suicide crusade. Dr. Kevorkian was Mr. Fieger's most famous client.

Mr. Fieger dropped a hint or two here and there that he might try another run for governor, so pollsters added his name and he immediately led the field in polled voter preference for the gov-

ernor's job.

Of course, polls at this point mainly are a reflection of name recognition, and Mr. Fieger's showing as much reflects the lack of public familiarity with the other candidates rather than showing citizen support of Geoffrey Fieger for governor.

In withdrawing, Mr. Fieger said that "I say what I mean and mean what I say and in politics that's dangerous," and that other politicians would make him the issue, but "I'm not the issue. The issue is resurrecting Michigan." He said he's already filmed campaign commercials, which presumably will now remain unseen and unheard.

In a way, Geoffrey Fieger's withdrawal, while completely justified, is disappointing. He certainly would have added juice to the campaign.

MICHIGAN IS not the only place with strange political developments these days, and the so-called Tea

Baggers seem at the root of much of the unrest.

Down in Florida, Republican Gov. Charlie Crist was considered a popular governor, and even was on the short list for vice president with Sen. John McCain in the 2008 presidential year, from which Alaska Gov. Sarah Palin eventually emerged.

Gov. Crist opened his campaign the US Senate when the Republican incumbent, Mel Martinez, last year announced he wouldn't run again, and was the instant favorite.

But something happened on his way to Washington. Gov. Crist welcomed aid to Florida through the financial bail-out programs emanating from the Obama administration, and warmly welcomed the president on a visit to Florida, all of which riled some conservatives.

Enemies from the right emerged, egged on by radio talk shows and an eager and attractive alternative in state legislator Mario Rubio. Crist support has faded so

much he finally trailed Mr. Rubio so far in the polls that Mr. Crist quit the Republican Party – not the governorship – and is running for the senate as an independent.

One result, of course, is that Republican votes in November may be so fractionalized that the Democratic candidate will win, thus strengthening President Obama's position in the Senate, which would prove a rather pyrrhic victory for the Tea Baggers, or the ultra right talk show folks, or whoever threw Charlie Crist under the partisan wheels and out of the Republican party.

THEN THERE'S Utah, where US Sen. Bob Bennett has been denied nomination for a fourth term by the state Republican convention which named two other Republicans to square off against each other in the state's Republican primary to pick the senate candidate for the November election.

Utah Republicans use a

party convention to choose the party's primary candidates for the US senate. In Michigan, candidates win a primary slot by filing petitions.

Sen. Bennett's faults? Although an avowed and recognized conservative, apparently he's not conservative enough.

According to news reports, Sen. Bennett was blamed for supporting former President George Bush's emergency financial bailout plan in 2008, working with a Democratic colleague on an alternative health care plan, and aggressively pursuing earmarked projects for Utah.

By most standards, Sen. Bennett's voting record during his 18 years in the senate has been reliably conservative.

"The political atmosphere obviously has been toxic and it's very clear that some of the votes that I have cast have added to the toxic environment," Sen. Bennett said.

Obviously incumbents are not safe anywhere.

IN PENNSYLVANIA, Sen. Arlen Specter a year or so ago decided he could not survive an impending Republican re-nomination battle, so he switched party allegiance to the Democrats.

Now-Democratic Sen. Specter faces a lively challenge from a Democratic US House member, and the survivor must then battle heavy barrage by the eventual Republican candidate in November. Tea Baggers exist in Pennsylvania, too.

So Democratic incumbents are not safe, either.

At this point, the entire 2010 election picture is so jumbled that it would be a foolish bettor to wager anything of value on the outcome of any political race this year.

Who knows what's going to happen anywhere?

## Letters to the Editor

### All money will go to support a good cause

To the editor:

This letter is being written on the day following our very successful White Cane fundraiser. The Grayling Lions Club was chartered in 1976 and has continually served the local community, state, country and world by asking the people of Grayling to give a little bit to make a larger whole. I'm proud of what we have been able to affect over the years.

While standing in the street or in the lobby of Glen's Market asking for donations, people have asked me where their donations go. The answer is lot and lots of places. Here is a sampling of our donations over the past several years.

Every year we donate to the various state projects. These include Leader Dog for the Blind in Rochester, Welcome Homes for the Blind, Michigan Eye Bank (part of the Michigan Organ Donor Registry) Lions Bear Lake Camp and the Lions of Michigan Service Foundation.

We have donated to disaster relief in Haiti and Chile

and the tsunami relief in south Asia. On a national level, we donated to Hurricane Katrina Relief.

Where we shine is what we do locally with the funds that we raise. Countless pairs of eyeglasses and eye exams for those who can't afford them are paid for with your donations.

Every year, we donate to the CCCCHC for food baskets at Christmas and donate to the Community Thanksgiving Dinner sponsored by St. John Lutheran Church.

The Lions donated time and material to the building of the handicapped accessible ramp at the Stittsville Methodist Church (an historical exhibit at Wellington Farms Park.)

We offer two \$400 scholarships for Grayling High School graduates to attend the college of their choice. We support students from our district who wish to travel overseas in the Lions Youth Exchange Program.

We support band members who travel with the Lions of Michigan All-State band.

This year, Bobby Stott, a Grayling High School band student will travel to Australia during the Lions International Convention.

We donate audio books to the Devereaux Memorial Library.

In concert with the Grayling Lioness Club ad District 11E2 we donated an Automatic External Defibrillator to the Grayling Elementary and Primary Schools. This list goes on and on.

So rest assured that when you drop that dollar bill in the white canister or purchase one of our bags or bars of candy, purchase a Michigan Lions Sight & Hearing Sweepstakes ticket or buy on of our wildly popular Lucky 13 tickets that money will go to support a good cause. We are legally obligated to return all funds that we receive from the public to the community through our various programs.

### Will Grayling lose another chance?

To the editor:

Will Grayling lose another chance to increase employment opportunities?

Seems to me that if the City has been working with Cascade Wood Products for over two and a half years, there is someone at the city besides David Thayer who is informed about it. If they don't something is wrong.

Therefore, whoever it is should be on the phone with Cascade now telling them the City of Grayling will do

anything it can to encourage Cascade to locate here.

If it means writing a grant, then find someone to do it (if there is no one at the city).

If it means working with some of the State agencies, let's do it.

If it takes extra hours and days, take the time.

The City should be telling Cascade that whatever the politics going on in Grayling, it will not affect our desire to be willing and

helpful regarding their efforts to build and do business.

No one is indispensable. Progress should not stop because of the absence of one man. Surely there is someone at the City who can step in, contact Cascade and reassure them, quickly.

If not, our city government is in trouble in more areas than this one.

### Mercy Hospital is a great asset

To the editor:

I recently had to go to the emergency room at Mercy Hospital Grayling. I was so impressed how quickly I was able to see a triage nurse and then was taken into see a doctor who evaluated my symptoms.

The doctor ordered some tests and it seemed as quickly as the tests were ordered, the tests were performed and the test results were provided to me and my family.

I did have to be admitted into the hospital for several days and was then released under a home care nurse.

I do not claim to be a

hospital expert or anything and had not been in the hospital since I was a child, but I did feel like I was getting the best care in the world and that all the diagnostic equipment was top notch.

I want to remind our local community to support our hospital in every way possible whether it be by having your test ran there, having a sleep study completed in their new sleep lab or by just telling your neighbor about a positive experience you had at the hospital.

### City should be ashamed of itself for condition of cemetery

To the editor:

I was at the Elmwood Cemetery two days ago on May 4 and much to my surprise was the condition of the grounds.

It is surprising to me that this is the way the city takes care of a cemetery, since it had been so beautiful when the prisoners had it. All because of a \$40 problem, which could have been

resolved.

The city should be ashamed of itself for the condition of this place which hold the people of this community, your fathers, mothers, grandfathers, grandmothers, aunts, uncles, cousins, and children.

### Armed Forces Day, May 15

On Aug. 31, 1949, Secretary of Defense Louis Johnson announced the creation of an Armed Forces Day to replace separate Army, Navy and Air Force Days. The single-day celebration stemmed from the unification of the Armed Forces under one department - the Department of Defense.

Each military leagues and orders was asked to drop sponsorship of its specific service day in order to celebrate the newly announced Armed Forces Day. The Army, Navy and Air Force leagues adopted the newly formed day. The Marine Corps league declined to drop support for Marine Corps Day but supports Armed Forces Day, too.

In a speech announcing the formation of the day, President Truman "praised the work of the military services

at home and across the seas" and said, "it is vital to the security of the nation and to establishment of a desirable peace." In an excerpt for the Presidential Proclamation of Feb. 27, 1950, Mr. Truman stated:

Armed Forces Day, Saturday, May 20, 1950, marks the first combined demonstration by America's defense team of its progress, under the National Security Act, towards the goal of readiness for any eventuality. It is the first parade of preparedness by the united forces of our land, sea and air defense.

Armed Forces Day is an American patriotic holiday celebrated the third Saturday in May. The American Legion encourages members of the community to show their patriotism and fly their American flags.

# The Bible Speaks

## Signs of the End

Christ was questioned by His disciples concerning His return to earth and the end of this age. (Matthew 24:3) "And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?" Christ spent the chapter telling His Jewish disciples what trends to expect before His return to rule over Israel. These trends included increased religious deception, v. 4; increased false Christs v. 5, increase in wars and rumours of wars among nations, v. 6,7a; increase in famines, pestilences, and earthquakes, v. 7b-8; increase in religious hatred and persecution of Christ's disciples, v. 9,10; increase in false religious prophets, v. 11; sin multiplying and love diminishing, v. 12, 13; along with a number of signs to be fulfilled during the coming seven year Great Tribulation period. (Revelation chapters 6 through 18 detail God's future seven year judgment upon earth during the great tribulation period.)

Jesus Christ also likens human attitudes at His return

to earth to those existing when He destroyed the earth in Noah's day, and destroyed Sodom and Gomorrah in the days of Lot. (Luke 17:26-30) "And as it was in the days of Noe, so shall it be also in the days of the Son of man. [27] They did eat, they drank, they married wives, they were given in marriage, until the day that Noe entered into the ark, and the flood came, and destroyed them all. [28] Likewise also as it was in the days of Lot; they did eat, they drank, they bought, they sold, they planted, they builded; [29] But the same day that Lot went out of Sodom it rained fire and brimstone from heaven, and destroyed them all. [30] Even thus shall it be in the day when the Son of man is revealed."

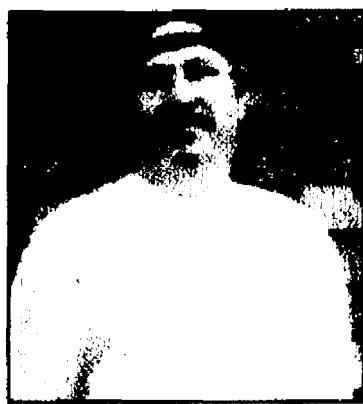

God warned those who ridicule the above prophecies: (2 Peter 3:3-8) "Knowing this first, that there shall come in the last days scoffers, walking after their own lusts, [4] And saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation. [5] For this they willingly are ignorant of, that by the word of God the heav-

ens were of old, and the earth standing out of the water and in the water: [6] Whereby the world that then was, being overflowed with water, perished: [7] But the heavens and the earth, which are now, by the same word are kept in store, reserved unto fire against the day of judgment and perdition of ungodly men. [8] But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day."

Time is running out for unbelievers to repent of their sins and trust Jesus Christ as their Savior and God. (2 Peter 3:9) "The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance." (Hebrews 4:8) ".... To day if ye will hear his voice, harden not your hearts." Avoiding the fires of divine judgment is one good reason for trusting Jesus Christ and getting saved today. (Jude 1:23). ## GHS hosts successful blood drive

A blood drive was recently held at the Grayling High School to allow students to give the gift of life through donating blood and help earn scholarship dollars. The blood drive was successful, bringing in 53 productive units of blood. Above is a photo of Polly Ryan, Ethan Lewis, James Schweizer, Dale Forcier, Ashley Feldhauser, Natosha Beaman and Katie Whitney showing off their certificates of appreciation presented by the American Red Cross for volunteering their time. Angie Miller, not pictured, gave her 56th unit of blood and earned her American Red Cross Seven Gallon Pin at the blood drive.

# Kirtland's Warbler Wildlife Festival slated for May 15

For a third consecutive year, the Kirtland's Warbler Wildlife Festival (KWWF), annually held on the third Saturday in May at Kirtland Community College, will be offering festival-goers a special concert at a great price.

In cooperation with the Kirtland Center for the Performing Arts, also located on Kirtland's main campus near Roscommon, festival-goers will be able to attend a special musical event featuring the Celtic folk music group, Switchback, at 4 p.m. on Saturday, May 15. Tickets for the concert are \$22 and \$20 per person, with those already having purchased a festival button getting \$5 off.

The Children's Learning Center, also located on the college's main campus, will be open from 3 p.m. until the end of the show to provide child care services - \$5 for one child or \$15 per family. Free shuttle service from the parking lot to the main lobby doors is also available before and after the program.

For more information or to purchase tickets in advance, visit online at [www.kirtlandcenter.com](http://www.kirtlandcenter.com) or call the KCPA Ticket Office at 989-275-6777.

Festival organizers recently announced that Justin La Doux, a part-time faculty member for Kirtland Community College's Art Department, will be the featured artist for the 2010 KWWF.

"My sculptures are made with various scrap metal, found objects and recycled materials. All the materials are welded together," La Doux said. "I feel that my sculptures are a puzzle and I have to find the best way to

fit the pieces together."

"People may not always combine recycling and art," said Jim Enger, festival chairman. "But Justin's efforts to create impressive artistic works, many of which are of wildlife, by using recycled materials is one reason we thought he'd be a great choice to be our featured artist."

Robert Scholl of Saline might not have started out to be an accomplished nature and wildlife photographer, but he is now. Scholl will soon be bringing his photographic talents and efforts to the 2010 KWWF as this year's "featured photographer."

"People will surely enjoy the opportunity to meet Robert and talk about his outdoor adventures, as well as to discuss how he approaches wildlife photography," Enger said.

The Kirtland's warbler is not alone! That may come as a surprise to nature lovers and bird-watchers who have not already attended the KWWF, thinking the only bird to see during the annual event is the rare song bird that calls northern Michigan its summertime home.

Those who've attended previous festivals can attest for the Kirtland's warbler has many other species of birds for neighbors, not to men-

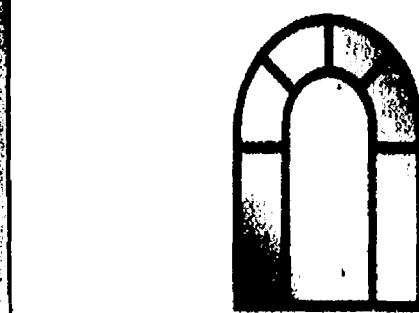

tion the abundance of non-winged wildlife.

While the Kirtland's warbler is North America's rarest warbler, the KWWF features two new tours designed to expand a festival-goers' knowledge of many other birds, including other endangered winged friends, such as the whooping crane and piping plover. The new tours give festival-goers an opportunity to see these rare and beautiful creatures in their natural habitat. In fact, the checklist used for the new bird tours include 227 species of our feathered friends for enthusiasts to search out and check off.

"Now, more than ever, the Kirtland's Warbler Wildlife Festival offers a chance to expand your birding knowledge and take some great photographs - cameras, binoculars, and spotting scopes are all welcome," Enger said. "The best thing about these new tours is it's so inexpensive to attend. A \$5 festival button gets you into the festival - that's it - and includes admittance to all the tours and presentations."

A complete festival schedule may be viewed online at [warbler.kirtland.edu](http://warbler.kirtland.edu), or for additional details call 989-275-5000, extension 266 or 242.

# Carlisle Canoes receives new owners on brink of season

by Dan Sanderson  
Staff Writer

New owners have taken  
the helm of a canoe livery,  
which has sent paddlers  
down the AuSable and  
Manistee Rivers for five and  
a half decades.

Terry Clark and his  
fiancée Karlie Spence  
acquired Carlisle Canoes on  
April 5.

Clark had been eyeing liv-  
eries in the area. Although  
there was not a for sale sign  
on the Carlisle Canoes prop-  
erty, Clark found the prop-  
erty listed on LoopNet.com  
and determined that it was a  
perfect fit.

"I just kind of jumped on  
it," Clark said. "It's better  
than working in a factory for  
the rest of my life."

In 1945, Warren Stephan  
started what he dubbed  
Stephan's Cut-Rate Canoes,  
and shaved a few dollars on  
canoe rentals in Grayling's  
highly competitive canoe  
rental market.

Ken Carlisle acquired  
then business. Along with  
rentals, Carlisle began man-  
ufacturing aluminum and  
plastic paddles in what is  
now the main office for the  
livery. He eventually moved  
Carlisle Paddles to a manu-  
facturing plant and ware-  
house on North Down River  
Road. Carlisle Paddles oper-  
ated in Grayling until 2005,  
when the company was sold  
to Johnson Outdoors.

In 1976, Kathy and Mike

Lovely acquired the livery  
and maintained the Carlisle  
Canoes name.

The Lovelies operated the  
livery before selling it to  
John Cammin, who now  
lives in Saginaw.

The livery was then sold  
to Christa and Gus Priel,  
who operated the business  
for about 20 years, Clark  
said.

An avid kyaker and  
canoer, Clark said it has  
always been his dream to  
own a livery.

"I figure you've got to  
have fun with what you do  
and like what you do," he  
said.

Clark, 23, of Caledonia,  
took some collage classes  
and worked a couple of job.  
He thought of pursuing a  
career and degree in  
accounting, but the call of  
working outdoors and on  
the river won out.

"I just didn't want to be

## Soccer team plays 3, wins 3 Vikings defeat Kalkaska, HL, Boyne City

The GHS varsity girls soccer squad played three games last week and won all of them.

The Vikings opened the week with a 2-1 league victory at Kalkaska on Monday night.

Hannah Haven and Emily Wingard each had a goal for the Vikings. Haven scored the first goal of the game with a shot to the outside post. Later in the first half, Wingard scored after the Kalkaska goalkeeper deflected a shot by Bella Green.

Kalkaska scored its only goal on a direct kick with 13 seconds left in the first half.

"The second half our defense faced a lot of pressure going into the wind. They did a great job cutting off Kalkaska as they attempted centering the ball. It was a hard-fought win and the girls played hard from beginning to the end," Coach Craig Cobb said.

On Tuesday night, the Vikings won 6-0 at Houghton Lake.

"We controlled the game from beginning to end. Again our defense stepped up as they not only stopped the Houghton Lake offense but were even able to become part of the offensive push as they moved the ball

up the field. Our offense scored on some nice crosses and had some nice passing," Coach Cobb said. "We played a great game."

Haven scored three goals. Shelby Pippin, Iva Haven, and Alyssa Morley each scored a goal.

Grayling defeated the visiting Boyne City Ramblers 2-0 in a league game played on Thursday.

H. Haven scored Grayling's first goal on a deflection off a Boyne City defender. Becca Money scored Grayling's second goal on a deflection off the Boyne City goalkeeper following an indirect kick.

"Charlie Money and Alexis Dandy each had great games as they consistently step up and clear the ball out to our offense. The girls are doing a better job with their passes and our team rhythm continues to improve. It is nice to see," Coach Cobb said. "The girls played a tough week with three games and we were able to win each, which is a great testament to their efforts on the practice field and their unwillingness to give up on the field."

Grayling (5-4-1 overall, 4-3-1 league) will host East Jordan on Thursday, May 13, at 5 p.m.

## Track teams host league meet

The GHS track squads hosted a four-team league meet on Monday - the other three competing schools were Traverse City St. Francis, East Jordan, and Harbor Springs - and Grayling finished third in both the boys' and girls' divisions.

In the girls' competition, Grayling won two events. Brianna Kirk took first in the 100m dash with a time of 13.40. The squad's 400m relay group also placed first.

The Vikings finished with

50.5 team points. Harbor Springs had 94.5, TCSF had 79, and East Jordan 19.

Grayling won three events in the boys' competition. Colin Hamlin took first in the 1600m run with a time of 4:43.76. David Bergan won the high jump, clearing the bar at 6'0". Grayling's 400m relay team took first with a time of 46.2.

Other placements for GHS: Nick Dorn, 2nd, 100m dash, 4th, 200m dash; Eric Rutter, 4th, 100m dash, 5th, high jump; Scott

Final team standings were: Harbor Springs, 88.5; TCSF, 67.5; Grayling, 54; East Jordan, 34.

The track teams will compete at the East Jordan Invitational on May 13.

Cody Myers reaches back to get the baton from Xavier Lindsey during a relay race.

## Baseball squad stays unbeaten in league

### Vikings win 8-2, 14-8 vs. Elk Rapids on Tuesday

After two wins vs. the visiting Elk Rapids Elks on Tuesday, the Grayling Vikings have an 8-0 record in Lake Michigan Conference baseball games this year.

Grayling won 8-2, 14-8 vs. Elk Rapids.

Jensen Aubry, the winning pitcher for GHS in game one, allowed six hits and no earned runs while striking out eight batters.

At the plate, Tyler Hanson had two hits and two RBIs. Zane Tobin had two hits and one RBI. Joe Contreras had two hits. Luke Schneider had one hit and one RBI. Aubry hit a solo home run.

"We played pretty good defense for the most part in the first game and I was happy to see our bats start to

come around again from last weekend," Coach John Schneider said.

Taylor DesEnfants and Zach Wolcott pitched for GHS in game two.

Grayling scored 14 runs on 17 hits in the contest. Wolcott had three hits, including a home run, and three RBIs. Tobin had three hits and two RBIs. Contreras had three hits and one RBI. Ethan Lewis and DesEnfants each had two hits and one RBI. Aubry, Schneider, and Jake Helsel each added one hit and one RBI.

"We are playing well enough to win but still committing too many mistakes. We are now going into the tough part of our schedule and if we make mistakes

against these teams they will capitalize on them. Our pitching staff is a little short with the injury to Riley Zigila. We are hoping to get him back on the mound in a week or so. Our fans are coming out and supporting our team and it is great to see. We have put ourselves in a great opportunity to win the school's first (Lake Michigan Conference) title and the players are excited about it," Coach Schneider said.

The Vikings have three league doubleheaders remaining, including a series vs. Boyne City at home on Friday, May 14. Grayling's series vs. East Jordan slated for last Friday was postponed to May 26 due to weather conditions.

The series vs. Houghton Lake slated for May 26 has been canceled in favor of the league matches. The Grayling Invitational - a tournament scheduled for Saturday, May 8 - was postponed and may be played on May 15, depending on the availability of other teams.

Joe Contreras rounds third base during last week's series against Elk Rapids.

Jensen Aubry releases a pitch vs. the Elks on Tuesday.

## Softball team splits vs. Elks

### Vikings win 2-0, fall 6-4 on Tuesday vs. Elk Rapids

The Grayling Vikings won one and lost one during a league varsity softball series vs. the visiting Elk Rapids Elks last Tuesday.

The Vikings beat the Elks 2-0 in game one. Andrea Malm pitched all six innings for GHS, allowing one hit and one walk while striking out five.

Leading hitters for Grayling: Jordan Stephan, 1 for 3, double, 1 run; Kirstie Wakeley, 2 for 3, 1 RBI; Molly Rinekey, 1 for 2; Makenna Harwood, 2 for 2; Shalee Miller, 1 for 2.

In game two, Elk Rapids won 6-4. Joni Bindschatel pitched two and 2/3 innings before leaving with an injury

(hit by a batted line drive). Malm finished the game at pitcher.

Leading hitters for GHS in game two: Wakeley, 2 for 4, double, 1 run; Rinekey, 1 for 3, 1 run; Harwood, 1 for 3, 1 run; Cayla Johnson, 3 for 3, 2 doubles, 1 RBI, 1 stolen base; Malm, 1 for 2, double; Katie Carney, 1 run.

"The first game of the doubleheader was probably the most complete game I have seen our team play. Our pitcher, Andrea Malm, went after each batter with the confidence that the defense would back her up and they did. We played error-free softball and gave up just one hit," Coach Keri

Brock said. "Kirstie Wakeley continued to see the ball well and put it in play, hitting two hard singles. Makenna Harwood knocked out two hits as well and for us to be successful down the stretch we need to spread the wealth in our lineup."

"In the nightcap Elk Rapids hit the ball well. They found holes and ran the bases well. I felt like we coasted on offense and didn't adjust to the strike zone like we should have," Coach Brock said. "Our pitcher suffered a devastating injury in the third inning and the girls were able to harness that emotion and turn it into

a positive. We rallied in the fifth inning with four hard hits and forced errors, which allowed us to score four runs. Our team showed a ton of heart considering the situation but we fell short on the scoreboard."

The Vikings (9-11 overall, 4-4 league) will host Tawas on Thursday and Boyne City - a conference opponent - on Friday.

"We have some key league games coming up this week and are fighting the injury bug again. Our girls know that our success will depend on a complete team effort and I'm looking forward to how they respond," Coach Brock said.

Right fielder Kelsey Neuberger throws the ball into the infield on Tuesday.

Joni Bindschatel throws a pitch vs. Elk Rapids on Tuesday night.

## JV squad wins 17-3, 16-4

Grayling High School's junior varsity softball team defeated Elk Rapids 17-3, 16-4 in a series played at Elk Rapids last Tuesday. Friday's series vs. East Jordan was postponed due to weather.

On Tuesday, Taylor Duvall (game one) and Tabatha Watkins (game two) pitched for the Vikings.

"The girls did a great job hitting the ball and getting on base. We had a great offensive night and had

some good defense to back it up," Coach Sarah Allen said.

Leading hitters for GHS: (game one) Madison Junttila, 3 for 4, triple, 4 stolen bases, 2 RBIs, 3 runs; Kristi Helsel, 3 for 3, double, 6 stolen bases, 1 RBI, 3 runs; (game two) Junttila, 4 for 4, 3 doubles, 6 stolen bases, 3 runs; Darcy Greer, 4 for 4, triple, home run, 1 RBI, 4 stolen bases, 3 runs.

The Vikings (6-6 overall) will play at Boyne City on Friday, May 14.

## Golfers place 5th at 18-team tourney

Grayling High School's boys golf team took fifth place overall – second in the field of Lake Michigan Conference teams – during an 18-team meet at the Belvedere Golf Club in Charlevoix on Wednesday.

Grayling posted a team score of 340. Charlevoix (third overall) was the top LMC team with a score of 323. Big Rapids won the meet with a score of 307.

"This was a big tournament for us, as it counts for points in the conference standings. Two of our seniors led the way with Taylor (DesEnfants) carding a score

of 75. He was two under par with three holes to play and I think the nerves got to him down the stretch. Derek Lorenc also played well with a score of 82," Coach Dan DesEnfants said.

Tyler Hanson shot a 91, Tyler Brigham posted a 92, Ethan Lewis 93, and Josh Johnson 96.

On May 1, the Vikings finished fifth overall and second among LMC teams during a 16-team tournament – the Harbor Springs Invitational – at Boyne Highlands.

Petoskey won the meet with a score of 326. Charlevoix had the best score

of the LMC teams (343). Grayling posted a 352.

"Charlevoix continues to be one of the best in the state. We're just trying to give them our best shot. We've come close and sometime will get all our guys having a great day, and maybe surprise them," Coach DesEnfants said.

Individual scores for GHS included: Johnson, 82; Lorenc, 84; DesEnfants, 92; Thomas Burrell, 94; Mason Krey, 100.

On Friday, May 7, the Vikings battled the elements during an 18-hole tournament hosted by Elk Rapids at

the A-Ga-Ming Golf Resort. Grayling took fifth.

"The weather was brutal," Coach DesEnfants said. "We played without some of our regulars due to a scheduling conflict with the baseball team, but it gave some of our young guys a chance to play. Josh Johnson was exceptional in the cold and rain."

Johnson posted an 84. Krey finished at 96, Brigham 99, Jared Carlyle 112, and Drue Kuhn 118.

The golf team will compete in the Farwell Invitational on Monday, May 17.
